

Alliance Hockey Midget Seeded League

Player Movement and Rules

Preamble: At the March Representative Council Meeting a proposal was presented by Waterloo to run a Midget Seeded team. In the past the Tri-City Minor Hockey Associations Waterloo, Kitchener and Cambridge have been reluctant to run a team because of High School Hockey. This is the first proposed representation of a Tri-City team in the Alliance Hockey Midget Seeded League in 6 plus years.

In previous years Tri-City participants who wanted to play Seeded League Hockey were allowed to do so with an agreement that allowed Cambridge Minor Hockey residents the opportunity to try-out in Brantford while Waterloo and Kitchener Minor Hockey participants tried out in Stratford.

With the proposed Waterloo entry, Stratford and Brantford expressed concern over the possibility of not being able to field a team. Subsequently Alliance Hockey was asked for their position on player eligibility. The following position was presented on June 28th at the Representative Council Meeting.

Midget Seeded Player Eligibility Movement for the 2017-18 Season

Residents of an Alliance Hockey Member Association who does not field a Major Midget team for the 2017-18 season are eligible to participate for any Alliance Hockey Member Association Major Midget Team. Player movement is only permitted for those associations who do not participate in the Alliance Hockey Major Midget Seeded League.

Player Eligibility for the 2018-19 Season

At the conclusion of the 2017-18 season those first year Major Midget 16 year olds will return to their Home Association to which the OHF Midget Freedom of Movement rules apply. The Midget Seeded Player Movement is not an F1 Form Waiver and therefore is not eligible to participate in that association prior to the August 23rd date for Freedom of Movement at Midget AAA.

Affiliation

Those participants who move from an association who do not field a team to an association that does are only eligible to affiliate with the association to which they are residential compliant. Example Kitchener resident who chooses to participate in Waterloo, can only affiliate in Kitchener. Normal Affiliation rules apply, participants are responsible to their rostered team for all scheduled games and practices, when a conflict does not exist a participant must be allowed to affiliate.

Residents of a Midget Seeded Member Association

Must participant in their Home Association. In the event a Member Association team folds due to lack of players, those players who did not attend try-outs are not eligible to participate in player try-outs with another Alliance Hockey Member Association.
