Any such movement must include notification of the players and parent, the approval of the Vice President Travel and the approval of the Directors.

G. PARTICIPATION OF PLAYERS IN OTHER AGE GROUPING

Since the CMHA philosophy states that the players must develop at their own individual needs and abilities, the Association sees a need for restricted movement beyond the artificial classification of age. Age group movement is permitted under the following circumstances:

- A player with ability significantly in advance of his age classification who desires to play ahead of his/her age classification at the Representative Minor Bantam to Midget Level only;
- A player with ability significantly in advance of his age group who make the decision to play at a NON-REPRESENTATIVE LEVEL;
- A player with ability significantly below his/her age classifications.

In order for a player who has received parental consent and desired to participate in a category which is above his/her age group (Bantam to Midget only), the move requires the recommendation of the Vice President of Travel and the approval of the Directors, based on the players overall ability.

Player must have the ability to play in the top half of the older age team to be considered significantly advanced. A parent may ask to have their child evaluated by a CMHA Officer or CMHA approved outside designate for approval of the player's ability. If a cost is assessed for this evaluation, it would be at the full expense of the parent/player.

In order for a player who desired to participate at the Non-Representative level but has the abilities significantly above or below his/her age group, participating will be recommended by the Convenors and approved by the Vice President of House League.

An exception to this rule will be a player who is released from the Minor Midget AAA team. They may then tryout for the Midget AAA team.

H. PLAYERS MOVING INTO RESIDENCE

The Vice President of Travel will be notified by the Office Manager of a new player moving into residence, if the player signifies that he/she has played a Representative level in his/her previous place of residence. After the player has been properly registered, as per Cambridge Minor Hockey Association regulations, the player shall be granted a ten (10) day tryout period in the designated age category. Representative teams are subject to C.A.H.A., M.H.A., and C.M.H.A. rules.

I. A PLAYER WHO "QUITS" REPRESENTATIVE HOCKEY

Any player who "quits" representative hockey after the November freeze date will be placed in House League at the discretion of the Vice President - House League. There will be no refund of rep fees. After January 10th the player will not be placed in the House League.

J. AFFILIATION OF PLAYERS

The Cambridge Minor Hockey Association affiliates with 19 specially affiliated players. A team can select up to five (5) players horizontally and the rest vertically. Example: Minor Bantam "AAA" would affiliate with Minor Bantam "A" (horizontal) and Major Peewee ("AAA") vertical.

To replace a player on a temporary basis, the higher division or Parent Team must borrow from either of the two affiliated teams. However, this shall only be permitted if a player from one of these two teams has no regular or play-off commitment with his/her original team. An affiliated player can only be acquired by a Parent team when there is a vacancy due to injury, sickness or suspension. Use of affiliated players for other than the reasons stated above shall be at the discretion of the Vice President of Travel.

Responsibility of notification of usage of a player as described above rests with the higher division team and must be made with the approval of the coach of the team to which he is carded. No changes can be made to an Affiliation list after January 10th, this is an OHF policy. Exception cannot be made within an Association.

No Tournaments will be allowed after the Regular Season for AAA & A teams and after the Round Robin Playoffs for MD teams.
