

To All Members of the Galt Minor Hockey School family,

After careful consideration and deep soul searching, having discussions with the City of Cambridge and meeting with our valued instructors and volunteers, we have made the decision to NOT offer any of the Galt Minor Hockey School Learn to Skate and Hockey Basics programs for the 2020/21 season.

Based on the information gathered at this time, due to Covid-19 related issues, concerns, and restrictions, we feel the health and safety of all participants in the Galt Minor Hockey School's programs, including players, family members, lead instructors, coaches, student volunteers, GMHS staff, and the general public, is of the utmost importance to us. With the current public health guidelines, we would not be able to deliver the same high quality programs our participants deserve and have grown to expect.

Looking forward to seeing everyone during the 2021/22 season.

If you have any questions, please feel free to contact me.

Thank you to all for your understanding and strong support during these unprecedented times.

With much appreciation,

Larry Kitzman – GMHS Director
on behalf of our Galt Minor Hockey School team
